Dear Mr. Risse,

At its March 14 meeting the Aurora Highlands Civic Association discussed Gerald Woodruff's problem with Arlington County regarding his fence at the northeast corner of 20th St. S. and S. Ives St. A motion was passed without objection to support Mr. Woodruff, assuming the facts are in accordance with those he presented to the Association along with the permit approval and subsequent correspondence. In addition, if the County can demonstrate through a site visit that his fence is unsafe, then the County should pay for moving the fence, since the County had approved it in advance of its construction.

Sincerely,

Natasha Atkins
President, AHCA
