2100 Clarendon Blvd #300
Arlington, VA 22201

Dear Ms. Garvey,

The Aurora Highlands Civic Association at our January 13 meeting voted to support the Arlington County Civic Federation Proposed Resolution on Parkland Acquisition. At the February 2 meeting of the Civic Federation, AHCA delegates voted to support the resolution presented by the ACCF's Parks Committee. In so doing, the Aurora Highlands Civic Association joined many others in requesting that the County Board adopt a land acquisition policy that commits the County to a target of 3 acres of park land per year on average over the next 10 years.

Sincerely,

Natasha Atkins
